Profile

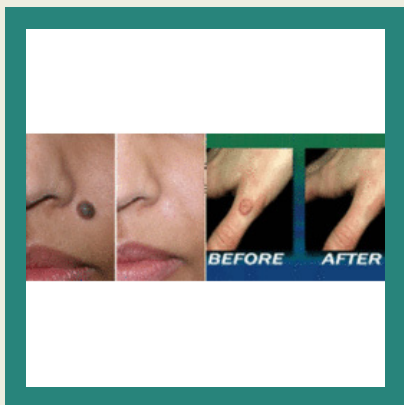

In the year 2002, **Dr. Bansal's Skin 'n' Laser Center** was established as one of the leading service provider for Laser Guided Skin Care Treatment. The variety of services offered by us includes **Hair removal in Chandigarh, Dermatologist in Chandigarh, Anti Pigmentation in Chandigarh, Skin Specialist in Chandigarh, Skin Diseases Treatment, Nail & Hair Disorders Treatment, Botox Treatment, Microdermabrasion for Acne Scars & Pigmentation, Allergy Testing, Skin Tightening Photo Facial, Freckles Treatment, Tattoo and Birth Marks removal, Face Lifting, Double Chin, Hair Restoration & Re-growth and NBUVB (Photo Therapy) for Vitiligo & Psoriasis.**

At the initial stage of treatment, we carefully examine the nature and problem of skin of the clients, and thereby use appropriate treatment to cure their problem. With the team of experienced professionals, we endeavor to cure and prevent the skin problem. Through close examination, we understand the sensitivity of the skin and use such method that will not affect the skin adversely. Our policy is to provide better treatment that includes accurate, protective and younger looking skin.

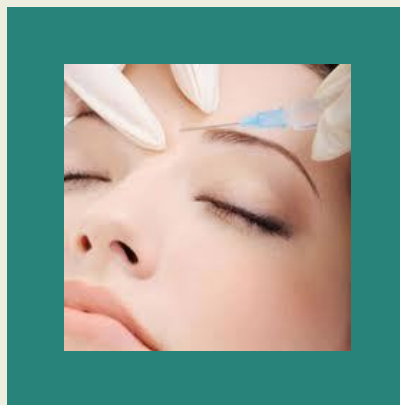

As a service provider, we have established state-of-the-art infrastructure that help us to examine and cure the problem effectively. The whole organization is divided into various units that enable our clients to find the appropriate place to cure their skin. Various types of latest machines are equipped with us that not only cure the problem but also prevent them to occur again.

With the team of highly experienced and skilled personnel, we are able to understand the requirement of skin and take accurate action to cure and prevent them. Our team has earned experience of several years and their experience is shown by their work.
